

**Universidade Federal do Rio Grande – FURG
Institute of Oceanography (IO – FURG)
Postgraduate Program in Oceanology (PPGO)**

The **Postgraduate Program in Oceanology (PPGO)** of the **Universidade Federal do Rio Grande – FURG** announces that the applications for the selection and admission process of Doctors for the National Postdoctoral Program (PNPD) MEC / CAPES, as established by Ministerial Order No. 86, of July 3, 2013, are now open.

1 – SELECTION OBJECTIVES:

The selection process for the National Postdoctoral Program (PNPD) MEC / CAPES aims to promote the inclusion of Brazilian and foreign researchers in post-doctoral training, strengthening national research groups.

2 – VACANCIES

2.1. 1 (one) quota will be made available, subject to the availability of scholarships of the National Post-Doctoral Program MEC / CAPES (PNPD), with duration as defined in item 8 of this announcement.

3 – REGISTRATION

3.1. Period and location

3.1.1. Submissions must be made between March 9th, 2020 and April 9th, 2020, exclusively by sending the necessary documentation in digital format (.PDF) to the e-mail ccpofqg@furg.br, with a copy to coordenador.ppgo@furg.br.

3.2. Required documentation:

3.2.1. To apply for the Selection Process, the candidate must present the following documents in digital format (.PDF):

- a) Copy of identity document or passport (if foreign);
- b) Copy of CPF (if Brazilian);
- c) Copy of doctor's degree or document proving the title;
- d) Documented curriculum (single copy) in the CNPq-Lattes format (summary model of the last 5 years: 2015 – until present date). In the case of foreigners: Foreign Researcher Curriculum Vitae (Annex III). The supporting documents must be attached in a single file, in .PDF formatted and ordered according to item 6.4.1 or Annex III).
- e) Letter of presentation addressed to the PPGO Coordination, containing the expression of interest and justification of the candidate in relation to their motivation to work in the Program;
- f) Proof of international academic experience;
- g) Research Project.

3.2.2. The Research Project must present:

- I. Title
- II. Characterization of the main scientific problem to be addressed;
- III. Objectives to be achieved;
- IV. Methodology and action strategy;
- V. Expected Results and Impacts;
- VI. Schedule of activities for the first 12 months of work;
- VII. Viability of project execution;
- VIII. Didactic activities, with proposal of implementation of Postgraduate course.

* The Project design must comply with the following formatting specifications: maximum 10 (ten) pages (with cover sheet and references), page numbering, A4 sheet, 2,5 cm margins, Arial font size 11 and space between lines of 1.5

4 –CANDIDATE’S PROFILE

4.1 The scientific goals to be reached by the candidate in his / her Research Project must be included in one of the research lines of the Postgraduate Program in Oceanology of the Institute of Oceanography (<https://ppgo.furg.br/pesquisa>), and should aim to publish articles in qualified journals, especially in high-impact international journals (A1 and A2), resulting from the execution of their work plan and / or linked to students and teachers of the PPGO. In addition to the scientific goals, the fellow should contribute to the formation of human resources, in the form of collaboration and / or orientation / co-orientation of students and the offering of new discipline(s) (Post-Graduate Special Topics).

5 – CANDIDATE’S REQUIREMENTS AND ATTRIBUTIONS

5.1. Candidate’s must meet the following mandatory requirements:

I – Hold the doctorate degree, obtained in courses evaluated by CAPES and recognized by the CNE / MEC. In the case of a diploma obtained in a foreign institution, it must be analysed by the Graduate Program;

II – Have an academic degree or formal academic experience abroad (full education abroad, doctoral mobility program, visiting professor abroad, long-term mobility, etc.)

III – Provide up-to-date curriculum in the CNPq Lattes Platform or, if foreign, curriculum Foreign Researcher Curriculum Vitae (Annex III) of the last 5 years until present date;

IV – Not being retired or in a similar situation;

V – Enrol in one of the following ways:

a) As a Brazilian or foreign resident in Brazil, holder of a temporary visa, in both cases without employment relationship;

b) As a foreigner, resident abroad, without employment relationship;

c) Be a teacher or researcher in the country with an employment relationship in Higher Education Institutions or Public Research Institutions.

§ 1º The foreign candidate residing abroad must prove a residential address abroad at the time of submission of the application.

§ 2º Substitute teachers may be approved in modality "a" of subsection IV, without prejudice to their teaching activities, after analysis and authorization of the Graduate Program.

§ 3º Candidates approved in modality "c" of section IV must present evidence of removal from the institution of origin, for a period compatible with the validity period of the scholarship.

§ 4º Candidates approved in modality "c" of section IV will not be able to carry out the postdoctoral internship in the same Institution with which they have employment bond.

6 – SELECTION PROCESS

6.1. The selection will be made based on the analysis of the a) Research Project and b) Curriculum Vitae (**last 5 years until present date**).

6.2. All stages of this announcement will be developed under the responsibility of the Coordination of the Postgraduate Program in Oceanology.

6.3. Analysis of the Project

6.3.1. The Research Project will receive a grade from 0.0 (zero) to 10 (ten), with a final weight of 6.0 (six), being considered in its analysis: (a) relevance, insertion and contribution of the Research Project in the PPGO research and teaching activities, (b) relevance and feasibility of the Research Project; (c) compatibility with the area of knowledge and one of the research lines of the PPGO; (d) innovation of the proposal in relation to the activities developed in the PPGO, and (e) impacts of the proposal for the qualification of research and internationalization of the PPGO.

6.4. Curricular analysis

6.4.1. Only the curricular information proven by means of documentation will be computed, with a mark from 0.0 (zero) to 10 (ten), with a final weight of 4.0 (four). The curriculum score is detailed in the items below (a - i), and the highest score obtained by one of the candidates will be equivalent to grade 10 (ten) and the other grades will then be proportionally determined in relation to this higher score.

a) Coordination of research project (2 points per project) financed by official research promotion agencies or by other Institutions through submission of a public call for proposals.

b) Student supervision: PhD (1 point per student), Master (0.5 point per student), Monography (0.25 points per student);

c) Authorship of published articles, articles accepted for publication and patents (considering Impact Factor - FI - of the journal):

c.1) $FI \geq 3$: 3 points per article;

c.2) $2 \geq FI > 3$: 2 points per article;

c.3) $1 \geq FI > 2$: 1 point per article;

c.4) $1 > FI$: 0.5 point per article;

c.5) Patents: 2 points per patent.

d) Co-authorship of published articles, articles accepted for publication and patents (considering Impact Factor - FI - of the journal):

- d.1) $FI \geq 3$: 1.5 point per article;
- d.2) $2 \geq FI > 3$: 1 point per article;
- d.3) $1 \geq FI > 2$: 0.5 point per article;
- d.4) $1 > FI$: 0.25 point per article;

Articles published in scientific journals without FI will not be considered.

h) Published books or organization of Books with editorial body and ISBN: 2 points per book;

i) Book chapters with editorial board and ISBN: 1 point per chapter.

7 – FINAL RESULT

7.1. The final result of the selection process will be the average of the grades obtained in the Research Project (6.0) and Curriculum Vitae (4.0). Candidates who reach a final grade of 8.0 or higher will be considered approved.

7.2. Dissemination of the approved candidates in the Selection Process will be available on **April 30th, 2020**, starting at 4:00 pm, at the Secretariat of the Postgraduate Program in Oceanology at FURG's Carreiros Campus or through the Internet at the website <http://www.pppo.furg.br>.

8 – BENEFITS COVERED IN THE CONCESSION OF THE GRANTS

8.1. The scholarships granted under the PNPd Program consist of payment of monthly fees for the maintenance of the scholarship holder, in the amount set by CAPES of R\$ 4,100.00, observing the duration of the scholarships, as set in item 9 of this call.

9 – GRANTS DURATION

9.1. For scholarship holders approved in modalities "a" and "b" of item 5.1, Item IV, the duration of the scholarship will be 12 (twelve) months and may be renewed annually until reaching the maximum limit of 60 (sixty) months.

9.2. For candidates approved in modality "c", of item 5.1, item IV, the maximum duration of the scholarship will be 12 (twelve) months, with no possibility of renewal.

10 – SCHOLARSHIP HOLDERS OBLIGATIONS

I – Prepare Annual Report of Activities to be submitted for the approval of the PostGraduate Program and forward Final Report within 60 (sixty) days after the end of the respective scholarship;

II – Dedicate themselves to project activities;

III – Return to CAPES the resources received irregularly, when verified the non-compliance with the rules of the PNPd, except if motivated by a fortuitous event, force majeure, circumstance outside his will or serious illness duly substantiated and substantiated. The evaluation of these situations is conditioned to the analysis and deliberation by the Executive Board of CAPES, in a reasoned order.

IV – Signature and delivery in the Coordination of the Postgraduate Program in Physical, Chemical and Geological Oceanography of the Term of Commitment (Annex I - beneficiary of the scholarship, approved according to item 5, item IV, item "a"), or (Annex II - beneficiary of the scholarship, approved according to item 5, item IV, item "b").

11 – SCHOLARSHIP SUSPENSION

11.1 The suspension of the scholarship will occur in the following cases:

I – Severe illness that prevents the fellow from participating in the planned activities;

II – Implementation of activities related to the PNPB abroad, for a maximum period of twelve (12) months, if you receive another scholarship.

§ 1º The suspension for the reasons foreseen in item I of this article will not be computed for the duration of the scholarship.

§ 2º The suspension for the reasons foreseen in item II of this article will be computed for the duration of the scholarship.

§ 3º For the beneficiary requesting temporary withdrawal to carry out activities related to the PNPB abroad, for a maximum period of three (3) months, there will be no suspension of the benefits of the scholarship if he/she does not receive another scholarship.

§ 4º For the beneficiary requesting the temporary withdrawal of academic activities due to the occurrence of childbirth during the period of validity of the respective benefit, there will be no suspension of the benefits of the scholarship, observing a specific CAPES determination.

§ 5º Replacement of the scholarship holder during suspension of the grant.

12 – CANCELLATION OF SCHOLARSHIP AND REPLACEMENT OS SCHOLARSHIP HOLDER

12.1. The scholarship may be cancelled by CAPES or The Post-Graduate Program at any time for breach of the provision of this Call or Ministerial Order n. 086, dated 03/07/13 / CAPES, and the grant holder is obliged to reimburse the investment made unduly in his/her favour, in accordance with current federal legislation, and unable to receive benefits from CAPES for a period of up to five (5) years, counted from knowledge of the fact, without prejudice to other administrative, civil and criminal sanctions.

12.2. The scholarship holder may be replaced by the Post-Graduate Program at any time in cases of insufficient performance, withdrawal, abandonment, interruption or termination of the validity of the scholarship or project. In these cases, the substitution of the scholarship holder must be preceded by the cancellation of the current scholarship and subsequent registration of the new PNPB scholarship holder, according to the classification in this event. The replacement of the scholarship holder will require the presentation of an Activities Report regarding the duration of the scholarship

13 – ADITIONAL INFORMATION

13.1. Additional information can be obtained at the Secretariat of the PPGO, by e-mail ccpofgg@furg.br

14 – FINAL CONSIDERATIONS

14.1. Dialogue with CAPES should be done only through the Coordinator of the PostGraduate Program, supported by the Pro-Rector of Post-Graduation, Research and Extension.

14.2. It is forbidden the accumulation of the perception of a scholarship with any type of scholarship from another CAPES Program, from another public, national or international public development agency, public or private company, or with paid professional practice, except for the exceptions provided in item 5 or express permission in specific norm downloaded by Capes.

14.3. The PNPB scholarships will follow the rules established in this Call and in Ministerial Order no. 086, of 07/07/2013 - CAPES, all contrary provisions being revoked.

14.4. FURG is not responsible for the continuity of the Program or even the granting of the scholarship or any other expenses arising from this selection process, being the sole responsibility of the Federal Government (CAPES and MEC) and the candidate.

14.5. The period of validity of this Call will be 3 (three) months, and may be renewed once for an equal period.

15 – SCHEDULE OF ACTIVITIES

ACTIVITIES	DATES
Call Press Release	09/03//2020
Application period	09/03/2020 to 09/04/2020
Homologation of applications	Until 16/04/2020
Disclosure of final results	Until 30/04/2020
Delivery of documentation necessary for the implementation of the scholarship	04/05/2020
